ARKA
BY UTKALIO

A NOTE FROM THE FOUNDERS

Arka was created from our love for Odisha and its quiet beauty, the stories hidden in its temples, traditions, and coastline.

Every room and every detail here is inspired by that spirit. We invite you to slow down, feel at home, and experience the warmth, culture, and timeless charm that make Odisha truly special.

Welcome to Arka

WHY ARKA?

The name Arka comes from the ancient Sanskrit word for the Sun. In Odisha, the sun is not just a star; it is the architect of our history, famously celebrated at the Konark Sun Temple. Utkalio means of Utkala, the ancient name of our glorious land.

Together, **Arka by Utkalio** is our tribute to this land, a space inspired by its heritage, craftsmanship, and timeless spirit. Through thoughtful design and meaningful details, we invite you to slow down, connect with Odisha's soul, and experience the warmth of a culture that has flourished for centuries.

NILACHALA

Nilachala, meaning "the Blue Hill," is another name for Puri, the sacred abode of Lord Jagannath. Rooted in faith and belonging, this name reflects the calm and spiritual essence of the city.

Inspired by that feeling, this room is designed to be a peaceful retreat. Simple, comforting, and deeply connected to the land it is named after.

SWARNA ARKA

Swarna means gold and Arka means the sun. Together, they represent the Golden Sun, a symbol closely tied to Odisha's heritage and the timeless grandeur of Konark.

Inspired by its warmth and radiance, this room is designed to feel bright, uplifting, and full of positive energy. Just as the first rays of the morning sun bring a sense of renewal, Swarna Arka offers a welcoming space where guests can relax, reconnect, and experience the warmth of Odisha's rich cultural legacy.

MAHODADHI

Mahodadhi, meaning "the Great Ocean," is the sacred sea that embraces the shores of Puri. For centuries, it has witnessed prayers, traditions, and countless journeys.

Inspired by its calm strength and endless horizon, this room is designed to feel open, soothing, and refreshing. Complete with a private jacuzzi, it's a space to unwind, slow down, and enjoy moments of pure relaxation.

Deluxe Room

NABAGUNJARA

Nabagunjara is a mysterious form of Lord Vishnu, created from nine different animals. A unique symbol from Odisha's rich mythology, it reminds us that not everything is meant to be explained; some things are meant to be experienced.

Inspired by this idea, the room celebrates curiosity, creativity, and the beauty of the unexpected. Just as Nabagunjara brings together different forms into one extraordinary creation, this space invites guests to embrace wonder, explore new perspectives, and discover the stories hidden within Odisha's timeless traditions.

Deluxe Room

GITA GOVINDA

Gita Govinda is a timeless collection of poems written by the Odia poet Jayadeva, celebrating the divine love between Lord Krishna and Radha.

Its verses continue to be sung in the Jagannath Temple, making it an enduring part of Puri's cultural heritage. Inspired by its grace and emotion, this room is designed to feel warm, peaceful, and harmonious, a space that reflects beauty, devotion, and quiet charm.

NILAKANDARA

Nilakandara is believed to be the hidden cave where Lord Nilamadhava was worshipped long before the emergence of Lord Jagannath.

Tucked away in nature, it symbolizes devotion in its purest and most peaceful form. Inspired by its sense of mystery and stillness, this room is designed as a quiet retreat a place to slow down, disconnect, and simply be.
